---

## Financial Advisor Mission Statement

I seek employment as an FA due to my interest in finance and equities, and because of its high income potential. With my background in physical and digital technologies, I can easily relate to a wide range of affinity prospects, particularly tech millionaires with recent cash out due to firm acquisition.

## Experience and Education

- currently self-studying for the SIE Exam
- 4 years of Full Stack Web Development experience
- University of Connecticut, B.S. in Chemistry (May, 2018), GPA: 3.4
  - Attended on full scholarship
  - Roland Award Recipient for an outstanding Senior Thesis
- Hill Regional Career high school, New Haven, CT, GPA: 4.49
